

Dear Parent/Guardian and prospective students

Welcome to our Open night webpage. This year we will begin our visits to schools week beginning the 8th November. During our visit, we will distribute a letter containing all relevant information to 6th class students.

Our enrolment process has begun and enrolment forms are available on our website: stcuans.ie and by emailing the school: stcuanscollege@st.cuans.ie

On the landing page of our website if you click on Enrolment you will be directed to all the relevant information.

In the meantime, you can click on our virtual tour, you can browse the prospectus by clicking the heading Academic on the webpage.

To facilitate the decision making process our closing date for completed application is Friday, 4th February 2022 (please note that there is no official date required by the Department of Education)

Thank you for accessing our website I hope all your relevant questions have been answered and if not we are organising for the school to be open to 6th Class students and their parents on the following dates:
